Valerie Sneade

Who *IS* that Girl?

Valerie is more than just an award-winning Singer...
She's an all-around *Entertainer!*

If you've seen Valerie Sneade perform before, you're probably already a fan. If you haven't ... well, you are in for a *real* treat. You'll find yourself laughing, clapping, tapping your feet and singing along!

She has been hailed by critics as “a bundle of energy” with a “vibrant stage personality” ... “witty and thoroughly entertaining” ... and “one of the top performers in the country.”

Valerie is a multi-dimensional vocal artist of many talents. She is *all* these ...

- Award-winning Singer
- Symphony Soloist
- Actress
- Entertainer
- Comedienne
- Cabaret Stylist
- International Recording Artist

She has successfully performed across virtually every genre of music, including ...

- Broadway
- Motown
- Doo-Wop
- Rock 'n' Roll
- Movies
- Pop
- Country-Western
- Jazz

- and more!

Valerie has performed to packed houses across the nation ... on stages ranging from **The Grand Ole Opry** to top-level **nightclubs** in **New York City** and **Boston**. She has been cast in Equity musical theater productions where **she shared the stage with Broadway stars** ... and **she has sung with symphony orchestras** from Massachusetts to Florida.

Valerie's voice and style have often been compared to the likes of **Barbra Streisand**, **Liza Minnelli** and other megawatt stars, but she has a sound and style all her own. A belter *and* a soprano – with a *two-and-a-half-octave range!* – she can just as effectively whisper a lilting ballad as knock a show tune out of the ballpark.

An all-around entertainer, Valerie complements her superb vocal talents with a disarmingly wacky sense of humor that charms and engages her audiences – not to mention leaves them

laughing.

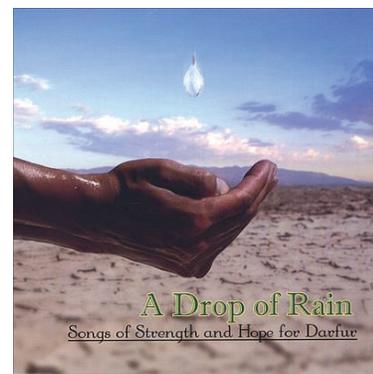

Audiences as diverse as those from small-town senior citizens to suburban Baby Boomers to the sophisticated Manhattan cabaret set have been entertained by her dynamic performances.

Valerie has opened for international recording artists such as The Four Aces and Al Martino. She has also performed with Broadway stars such as Franc D'Ambrosio, the stage and screen star who held the record for being the longest-running Phantom in the history of Broadway's *The Phantom of the Opera* ... Mary Callanan, who starred in the Broadway revival of *Annie* and *Mamma Mia* ... the late Jennifer Rae-Beck, who appeared on Broadway in *Les Misérables* and in the television production of *Gypsy* starring Bette Midler ... and Australian singer and trumpet player Greg Bonham, a top headliner in Las Vegas.

Valerie won an award for the Best Cabaret Show from the Independent Reviewers of New England. The critics' organization also nominated her show *The Streisand Songbook* for an award.

For three years in a row, Valerie was voted as "One of 10 Best Cabaret Shows" by Boston's Bay Windows publication.

A caring and big-hearted philanthropist, she donated the proceeds from her first CD (*Let Me Be Strong*) as well as two concert performances (a total of nearly \$10,000) to the victims of Hurricane Charley in Charlotte County, Florida, and has given generously to a host of other community needs. She was also featured on the album *A Drop of Rain: Songs of Strength and Hope for Darfur*.

Valerie has two fully orchestrated POPS programs, both with arrangements by Jim Rice and George Mancini.

In addition, she has several solo and group shows available for booking, including ...
